It is your legal responsibility to ensure that there is enough money in your bank account to pay us.

We have the right to suspend the services if you do not pay your fees. We will start providing the services again as soon as reasonably possible after we receive confirmation from our bank that you have paid the amount due to us at that date. It will take up to seven business days to restore the services.

You accept that if the services are suspended because you have not paid the fees:

5. It is your responsibility to ensure that the amount we deduct from your bank account is correct

We will do our best to ensure that the amount that we deduct from your bank account is according to the agreement. However, you also have a legal responsibility to check your invoices and bank statements. If you believe that you have been charged an incorrect fee, you must tell us immediately but no later than 12 months from the transaction date. If you can prove that the fee was wrongly charged, we will refund it. You accept that it is your legal responsibility to check your invoices and bank account regularly. For this reason, you accept that the most we will refund you is for a maximum of the last 12 months of incorrect charges.
